# CERTIFICATIONS, PARTNERSHIPS AND AFFILIATIONS

## CERTIFICATIONS

- FDA Registered Facility
- ISO 13485:2016
- MDSAP Facility
- Health Canada Licensed Products
- CE Mark Certificate for Respiratory Products

## PARTNERSHIPS

GEMCO Medical is our newest distributor, focusing on the eastern region of the United States and will fulfill orders from their GEMCO Medical distribution hubs.

VGM Preferred Respiratory Vendor - We have partnered with VGM to offer discounted pricing exclusive to VGM members

VGM and PPM warehouse fulfillment programs – Always in stock, ready to ship from VGM's and PPM's centrally located warehouse facilities – Easy and convenient!

## AFFILIATIONS

AA Homecare – We are proud members of AAHomecare as dedicated advocates for the HME industry

For nearly 40 years,  
**AG Industries** has been  
providing comprehensive  
and innovative  
respiratory solutions

While manufacturing and supplying a great variety of respiratory products, AG Industries specializes in CPAP, Oxygen, Suction, Ventilator & Nebulizer filters and replacement accessories. Our in-house design, engineering and manufacturing ensures AG controls each step of production and delivery of quality products to our customers. When it comes to delivering quality, our well stocked facility holds the key to all our client's respiratory needs.

AG Industries was founded in 1982 as a DME distributor with only 3 employees. As AG began to grow, our specialty quickly became respiratory equipment and the supplies for those systems. As respiratory products became the center of AG, we recognized the constant demand of the systems for disposable supplies, and the red tape that often accompanied their distribution. In order to address those issues AG began to cut, assemble, and distribute basic filters to healthcare providers around the country. Along with growing manufacturing capabilities, AG's innovation grew to include HEPA & custom filters, product design, and a larger focus on fluid filtration including gasses and liquids.

For nearly 40 years, AG has grown to become a vertically integrated company with more than 100 employees and support, with a worldwide presence.

# PAYMENT, SHIPPING & RETURNS

**SHIPPING AND DELIVERY.** Unless otherwise indicated herein, Seller shall determine in its discretion and make arrangement for shipment of the goods to the location(s) specified herein. Delivery by Seller to the carrier at the shipping point shall constitute delivery to Buyer in accordance with its order. The signature of Buyer or any of its representatives, on the Bill of Lading or receipt of shipment shall constitute conclusive proof of receipt by Buyer and shall be deemed acceptable by Buyer. All shipments shall be EXW (as defined in Incoterms 2017) Seller's place of business. All risk of loss, damage or charge with respect to the goods, including the responsibility to insure the goods, shall pass to Buyer upon Seller making the goods at the disposal of Buyer's carrier at its shipping point. Shipment or delivery may be made in separate lots or partial shipments. Buyer may not refuse delivery of any lot or partial shipment or refuse payment therefore because of failure to deliver any other lot or nonconformity in any other lot or partial shipment.

**PURCHASE PRICE AND PAYMENT TERMS.** Goods. The price of each shipment of goods shall consist of the prices charged for the goods excluding all loading, freight and insurance charges incurred by Seller which shall be added to the invoice and reimbursed by Buyer to Seller. Each shipment will be invoiced separately. Payment shall be made in the currency stated within the terms specified on Seller's invoice. Payments received shall be applied to the specified invoice, if no invoice is specified on payment, funds will be applied to the oldest obligation owed to Seller. Any payments made later than fifteen (15) days after the due date, specified on Seller's invoice may be accessed a late charge of one and one-half percent (1-1/2%) per month, or any portion thereof, or the highest legal rate, whichever is lower. Buyer shall be liable for any and all collection costs and expenses, including attorney's fees, incurred by Buyer and Seller with regard to delinquent amounts. Prices are subject to change without notice. In addition, Seller may without notice pass on any cost increases including but not limited to increases in material and manufacturing costs, tariffs, transportation, and fuel costs. Goods are sold only in standard packaging quantities. Minimum order quantities are subject to change without notice.

**CREDIT APPROVAL.** Contracts or orders are subject to approval by Credit Department of Seller. Seller shall have the right to modify, change or withdraw credit terms at any time without notice and to request guarantees, security or payment in advance of the amount of credit involved. In the event Buyer fails to fulfill terms of payment or in case Buyer's financial responsibilities shall become impaired or unsatisfactory to Seller, Seller may discontinue further production and/or shipment unless Buyer agrees to revised terms of payment acceptable to Seller. Accounts unpaid shall constitute a lien on Buyer-owned molds, dies, tools and equipment in Seller's possession.

**CANCELLATION, ASSIGNMENT, AND RETURNS.** All returned goods must be approved in writing by Seller and must bear a Returned Goods Authorization Number (RGA#), obtained by telephoning Seller's sales and support team. Returned goods must be unused and packed in a protective manner similar to original shipment from Seller. Goods approved by Seller to be returned must be received by Seller within ten (10) days after the issuance by Seller, of an RGA #. Seller shall only be obligated to replace or accept for credit those goods not complying with Seller's specifications and returned in the manner prescribed herein. All other returns accepted by Seller may be subject to a twenty (20%) restocking fee. Seller shall not be obligated to replace or accept return of goods meeting Seller's approved product specifications regardless of the performance of the goods and/or the functionality of the goods as used by Buyer. Custom ordered products or products beyond the applicable warranty period may not be returned. Buyer must notify Seller of any order error made by Seller within three days of receiving the goods.

For additional information regarding the terms applicable to your order please visit [agindustries.com](http://agindustries.com) for our Standard Terms and Conditions of Sale.
